

**KERRVILLE-KERR COUNTY AIRPORT
1674 HANGAR LEASE AGREEMENT**

This **1674 Hangar Lease Agreement** ("Agreement") is entered into by and between the Kerrville-Kerr County Joint Airport Board ("Landlord" or "Joint Airport Board") and _____ ("Tenant").

WHEREAS, the City of Kerrville ("City") and Kerr County ("County") jointly own the real property upon which is located the Kerrville-Kerr County Airport, sometimes referred to as Louis Schreiner Field ("Airport"); and

WHEREAS, the City and County are parties to an Amended and Restated Interlocal Joint Action Agreement dated May 24, 2022 ("Interlocal Agreement") that affirms the creation and continued existence of the Joint Airport Board; and

WHEREAS, the Joint Airport Board may lease Airport property and may adopt fees and rental rates with respect to the use of Airport services or use of Airport property; and

WHEREAS, the Joint Airport Board, through its Airport Manager and other employees, is responsible for the day-to-day management of the Airport.

NOW, THEREFORE, in consideration of these promises, covenants, and agreements, the parties agree as follows:

ARTICLE 1 GRANT OF LEASE

1.01 Leased Premises: Landlord agrees to lease to Tenant certain property owned by the City and County located at 1674 Airport Loop, and being more particularly described as hangar _____, hereinafter being referred to as the "Premises."

ARTICLE 2 TERM OF AGREEMENT

2.01 Lease Term: The term of this Agreement shall commence at 12:01 a.m. on October 1, 20XX and terminate at midnight on September 30, 20XX ("Lease Term") unless terminated earlier pursuant to the provisions of this Agreement.

2.02 Holdover of Tenant: If Tenant holds over or remains in possession of the Premises after the termination of this Agreement in the absence of a new lease agreement between the Landlord and Tenant, such continuation beyond the date of termination, or the collection or acceptance of rent, fees and/or other charges by the Landlord, shall not be construed as a renewal or extension of this Agreement, but shall be construed solely as creating a tenancy at will and not for any other term whatsoever. During the term of such tenancy at will, Tenant shall pay Landlord the fees and charges herein reserved, and Tenant shall be bound by and comply with all relevant provisions of this Agreement. Landlord may terminate the Holdover/Tenancy At Will by giving Tenant 30 day written notice thereon.

ARTICLE 3 RENT

3.01 Amount of Base Rent: Tenant agrees to pay to Landlord rent for the Premises the amount of \$.00 per month ("Base Rent"), commencing on the Effective Date and continuing monthly, due on the first day of each following month for the entire Lease Term. If the commencement date of this lease shall be on a day other than the first day of a month, the rent due for that first month shall be prorated accordingly.

3.02 Security Deposit: At or before the execution of this Agreement, Tenant shall pay to Landlord a security deposit of \$ 300.00. Landlord may use as much of the deposit as necessary to pay for any damages resulting from Tenant's occupancy of the Premises, normal wear and tear excepted. Within sixty (60) days of the termination of this Agreement and inspection of Premises, Landlord shall return the balance of the deposit to Tenant, minus any amount subtracted for damages.

3.03 Adjustment of Base Rent: Base Rent due in any holdover period (i.e., occupancy that extends beyond the Lease Term) shall be increased or decreased on the first October 1st of any such holdover period and annually on each October 1st thereafter as set out in the following Rent Adjustment Formula, based upon changes in the Consumer Price Index for Urban Wage Earners and Clerical Workers) as promulgated by the Bureau of Labor Statistics of the United States Department of Labor ("CPI") ("Adjusted Base Rent"):

Rent Adjustment Formula

$$\text{Adjusted Base Rent} = \text{Base Rent} \times \frac{\text{CPI-Current Index}}{\text{CPI-Base Index}}$$

Rent Adjustment Definitions

- Base Rent – The Base Rent reflected in Section 3.01 of this Agreement.
- CPI-Current Index – The published CPI for the month of February, immediately preceding the applicable October 1, 20XX rent adjustment date.
- CPI-Base Index – The published CPI of 300.840 for the month of February 2023

In no event, however, shall the Base Rent be less than \$.00 per month. In the event that the CPI is discontinued, comparable statistics on the purchasing power of the consumer dollar as determined by a responsible financial periodical of recognized authority selected by the Board shall be used as the basis for making adjustments of Base Rent during the Lease Term.

3.04 Delivery of Rent: All payments, by check or money order, required of Tenant by this Agreement shall be delivered by mail, or in person, to the Airport Manager's Office, 1877 Airport Loop, Kerrville, Texas 78028 located at the Airport, or to such other location as specified in writing by the Landlord from time to time, no later than the first day of each calendar month of the Lease Term for which the payment is due.

3.05 Delinquent Rent Payments: In the event that payments to the Landlord for rent or other fees or charges are not received by the Landlord on or before the eighth day following the due date, Tenant shall pay a late rental charge of Two Percent (2.0%) of the rent amount due for that month. All rent and other payments which are past due more than thirty (30) days shall accrue simple interest at the rate of eighteen percent (18.0%) annually or (b) the maximum percentage rate allowed by law, whichever is less.

3.06 Application of Amounts Received: Payments received shall be applied in the following order: (1) late rental charges, (2) past due rent, beginning with the oldest amount due, (3) other past due amounts, and (4) rent currently due.

3.07 Contractual Landlord's Lien. Tenant agrees that Landlord shall have a contractual lien for unpaid rent that is due, and that this lien shall attach to all property that is stored on the Premises. This contractual lien is in addition to any statutory lien authorized by law. If Tenant defaults under this Agreement, Landlord shall have a lien upon all goods, chattels, and/or personal property of any description belonging to Tenant that is placed in or becomes a part of the Premises, as security for rent due and to become due for the remainder of the term. Tenant grants Landlord a security interest in all such nonexempt personal property placed in or on the Premises. If Landlord exercises its option to terminate the leasehold as the Agreement provides, the Landlord, after giving the Tenant reasonable notice, may take possession of all of Tenant's property on the Premises and sell it at public sale in accordance with Chapter 59, Subchapter C, of the Texas Property Code. The sale proceeds shall be applied to the necessary and proper expenses of the sale, then to paying the amount of the lien, with the balance, if any, to be paid to the Tenant.

ARTICLE 4 PREMISES

4.01 Use of Premises. The Tenant agrees and acknowledges that the Premises shall be used primarily for the parking and storage of the Tenant's aircraft identified in Exhibit A which the Tenant covenants, warrants, and agrees shall be owned by Tenant or under Tenant's exclusive control while stored on the Premises. Tenant agrees that the aircraft stored shall not be so large as to preclude the closing of the hangar doors.

The Tenant agrees and acknowledges that the Premises shall always be used primarily for storage of active airworthy aircraft owned by Tenant and/or under Tenant's exclusive control.

4.02 Non-commercial Aeronautical and Other Use of the Premises: Tenant agrees and acknowledges that so long as the Premises are used primarily for the storage of active airworthy aircraft, other use of the Premises shall be limited to the following non-commercial aeronautical or other activities:

- (a) Final assembly of aircraft under construction not to exceed 180 days without Landlord's approval
- (b) Minor routine maintenance, repair, or refurbishment of aircraft as described in Section 5.06 of this Agreement, but not the indefinite storage of non-airworthy aircraft. Indefinite storage is defined as greater than 180 days.

- (c) Storage of aircraft handling equipment (e.g., tow bars, glider tow equipment, workbenches, and tools and materials used in servicing, minor maintenance, repair or outfitting of Tenant's aircraft as described in Section 5.06 of this Agreement).
- (d) The Premises may not be used to store non-airworthy aircraft for more than 180 days without Landlord's written permission.
- (e) Non-aeronautical items may be stored in hangars as long as the items do not interfere with the primary aeronautical use of the hangar.
- (f) Non aeronautical items will not impede the movement of aircraft in and out of the hangar or impede access to aircraft or other aeronautical contents of the hangar.
- (g) The Premises cannot be used to store items used to conduct non-aeronautical business including the storage of inventory.
- (h) No items in violation of airport rules and regulations, lease provisions, building codes and local ordinances will be stored in the Premises under any circumstances.
- (i) The Premises may not be used as a residence.
- (j) The Premises may not be used to store household items commonly stored in commercial storage facilities.

4.03 Ownership. Tenant warrants that he/she is (are) the registered owner(s) of or is (are) leasing the aircraft to be stored on the Premises. Tenant shall immediately notify the Airport Manager, in writing, of the description of any aircraft stored in the hangar that is different from the aircraft on Exhibit A or of any change in the registered ownership or its Tenant status of said aircraft, as applicable. On or before the commencement date of this Agreement, Tenant shall provide a copy of the FAA Certificate of Aircraft Registration establishing the ownership of the aircraft being stored.

In addition, if Tenant's status as the operator of the aircraft is evidenced by a lease, such lease must be an exclusive-use lease wherein Tenant is the only authorized user of the aircraft. Upon request, Tenant shall provide a copy of said lease to the Airport Manager.

4.04 Aircraft Replacement. Only the aircraft identified on Exhibit A shall occupy the Premises. In the event that Tenant sells or disposes of the aircraft, or aircraft registration lapses, Tenant shall have 120 days to replace the aircraft with another aircraft or re-register aircraft and shall provide written notification to the Airport Manager concerning the actions taken. In the event Tenant fails to replace the aircraft within this time period, Tenant shall be deemed to have abandoned the Premises, and the Landlord may immediately terminate this Agreement.

ARTICLE 5 CONDITIONS AND USES

5.02 Compliance with Laws. Tenant shall commit no kind of waste and shall take good and reasonable care of the Premises, and shall in the use and occupancy of the Premises, adhere to federal, state, and local laws and regulations, including the Kerrville-Kerr County Airport Code, as adopted by City and County on June 27, 2018, (“Rules”). Such Rules are specifically incorporated herein by reference. Tenant acknowledges and agrees to be bound by and comply with the Rules, as these now exist or may be amended, during the term of this Agreement.

5.03 Alterations. Tenant shall not make any changes or alterations to the Premises unless upon written consent of Landlord. Where Landlord consent is granted, all changes and alterations shall be made at the expense of Tenant and, upon the expiration of this Agreement, all fixtures shall become the property of the Landlord.

5.04 Commercial Aviation and Non-Aviation Related Business Activities. Tenant shall not conduct or allow any commercial aviation related business activity such as flight instruction, aerial spraying, charter flight, air taxi, sightseeing, skydiving, aerial photography, aircraft engine or airframe repair, avionics repair, or any other commercial activity within the Premises or at the Airport without the prior written consent of the Landlord. Tenant shall not operate any non-aviation related business or activity within the Premises or Airport without the prior written consent of the Landlord. Any approved commercial aviation or non-aviation related business must obtain a business permit from Landlord in accordance with the Rules prior to operation.

5.05 Motor Vehicles and Parking. Only licensed drivers shall drive vehicles to and from and within the hangar area. Vehicle parking is allowed within the Premises. Vehicles may be parked on the pavement adjacent to the Premises provided taxiway access and access to other hangars is not blocked. Vehicles shall not be left unattended outside the Premises during periods of darkness.

5.06 Maintenance of Airworthy Aircraft. Maintenance and repair of aircraft located on the Premises shall be limited to minor routine maintenance and repairs required for normal operation of the aircraft as recommended by the aircraft’s manufacturer, such as changing filters, lubricants, spark plugs, and tires. Conducting repairs or maintenance that requires the substantial disassembly or assembly of the aircraft’s airframe, power plant, and/or avionics, or that requires the stripping and/or painting of aircraft parts, is prohibited on the Premises.

5.07 Construction, Repair and Refurbishment of Non-Operational Aircraft. Tenant wishing to use the Premises for such activities as final assembly of aircraft under construction; non-commercial construction of amateur-built or kit-built aircraft, minor routine maintenance, repair, or refurbishment of a non-operational aircraft, when approved by the Landlord in writing, must provide the Landlord with a timetable for the completion of the project. The timetable must be updated monthly but in no case will the project exceed 180 days unless authorized by the Landlord in writing.

5.08 Breach. Tenant agrees that the failure of Tenant, his/her agents, employees, invitees, or servants to comply with any provision of this article shall result in a material breach of this Agreement and shall permit Landlord to pursue remedies as set forth in this Agreement, in addition to all other rights and remedies provided by law, to which the Landlord may resort cumulatively, or in the alternative.

ARTICLE 6 MAINTENANCE AND REPAIRS

6.01 Tenant's Responsibilities. Tenant shall maintain the Premises in a clean, neat, and sanitary condition, free of dirt, trash, refuse, scrap parts, and debris. Tenant shall, at their expense, provide for the removal and disposal of any such items. Tenant shall promptly report to Landlord any defects in the Premises requiring maintenance. Tenant further agrees that they shall, before storing an aircraft on the Premises, provide a metal drip pan to be placed under any part of the aircraft, which may leak fuel or lubricants. Tenant shall be liable for all costs of repairs to the Premises, which have been because of and/or caused by Tenant's use.

6.02 Fueling. Tenant shall not conduct within the Premises any fueling or de-fueling of any aircraft.

6.03 Storage, Use, and Disposal of Hazardous Materials. Except for fuel within the aircraft, Tenant shall not store or permit the storage of any fuel, hazardous, volatile, and/or dangerous chemicals or substances within the Premises or Airport. The Tenant and its employees, agents, and invitees shall abide by all applicable laws and regulations of the United States Environmental Protection Agency, the Texas Commission of Environmental Quality, or their respective successors agencies, and any other governmental agency regarding the handling, discharge, release, and dumping of hazardous materials. Tenant shall indemnify, defend, and hold harmless the Landlord, the City, and the County for any violation of environmental law resulting from the use of the Premises by Tenant, or Tenant's family, guests, invitees, contractors, or agents, and shall immediately notify the Landlord of any correspondence received from regulatory agencies or other parties concerning such matters. Tenant shall not conduct or allow to be conducted any hazardous activities on the Premises, including, but not limited to, welding, painting, or doping.

6.04 Fire Extinguisher. Tenant shall have enough fire extinguishers of acceptable size as determined by the Kerrville Fire Marshall within the Premises. Such fire extinguisher(s) shall be readily accessible in the event of a fire.

6.05 Inspection and Repair of Premises. The Tenant agrees and acknowledges that the Landlord and or its representatives shall have the right, at any time, to inspect the Premises for any purpose or to make repairs or alterations. The Tenant agrees and acknowledges that discrepancies found during the inspection will be corrected, at no cost to the Landlord, within 30 calendar days.

6.06 Disclaimer of Warranty. Landlord expressly disclaims any warranty of suitability that may otherwise arise by operation of law. Landlord does not warrant that there are no latent defects in the Premises for the Tenant's intended purpose and that the essential facilities will remain in suitable condition. Tenant agrees that it is accepting the Premises "as is."

ARTICLE 7 ASSIGNMENTS, TRANSFER, AND SUBLETTING

7.01 Tenant shall not sell, assign, sublet, or transfer any rights or privileges granted by this Agreement without the prior written approval of the Landlord. The Landlord shall have the exclusive option to grant or refuse such approval. The parking of an aircraft not owned or leased by Tenant within the Premises shall constitute a sublease.

ARTICLE 8. TERMINATION

8.01 This Agreement shall be subject to immediate termination by the Landlord where Tenant:

1. is in arrears in the payment of or part of the rental payment for a period of thirty (30) days after Tenant is notified that payment was not received when due;

3. has made any general assignment for the benefit of creditors; or
4. has sold, assigned, sublet, or transferred any rights or privileges of this Agreement without the prior written approval of the Airport Manager as required by Article 7 of this Agreement.

In any of the aforesaid events, the Landlord may terminate this Agreement immediately and take immediate possession of the Premises, including all improvements therein, and remove Tenant's effects, forcibly, if necessary, without being deemed guilty of trespassing. However, any failure of the Landlord to terminate this Agreement immediately upon the default of Tenant for any of the reasons set out above shall not operate to bar or destroy the right of the Landlord to terminate this Agreement by reason of any subsequent violation of the terms herein.

The receipt or acceptance of money by the Landlord from the Tenant after the termination of this Agreement or after the service of any notice, after the commencement of any suit, or after final judgment for possession of the Premises shall not reinstate, continue, or extend the terms of this Agreement, or affect any such notice, demand, or suit, or employ consent for any action for which the Landlord's consent is required or operate as a waiver of any right of the Landlord to retake and resume possession of the Premises.

ARTICLE 9 SURRENDER OF POSSESSION

9.01 Upon the expiration or termination of this Agreement, the Tenant's rights, privileges, and use of the Premises shall cease and the Tenant shall immediately surrender the same. The Tenant shall restore the Premises to its original condition as of the beginning of occupancy, ordinary wear and tear excepted.

ARTICLE 10 INSURANCE AND INDEMNITY

10.01. Liability Insurance. Tenant shall, at their own expense, purchase, maintain, and keep in full force and effect, liability insurance at a minimum of \$1,000,000.00 aircraft liability (per occurrence) single limit for bodily injury and property damage including passengers, but with passenger bodily injury limited within the single limit to \$100,000 for each passenger. Tenant shall indemnify and hold harmless the Landlord, the City and the County, and their respective officers, agents, and employees against any and all claims, demands, damages, costs, and expenses, including, but not limited to, investigative expenses and reasonable attorney's fees for the defense of such claims and demands, arising out of or attributed directly or indirectly to the use of the Premises and any other area in the airport by Tenant, or from any breach on the part of the Tenant of any term of this Agreement, or from any act of negligence of the Tenant, his/her family members, agents, employees, contractors, or invitees, in or about the Premises or other areas of the airport. In case of any action or proceeding brought against the Landlord, the City and the County by reason of such claim, Tenant, upon notice from the Landlord, agrees to defend the action or proceeding by counsel acceptable to the Landlord.

11.04 Compliance with Laws and Nondiscrimination Assurance. Landlord reserves the right to operate the Airport in accordance with, and this Agreement is subordinate to, the Landlord's obligations to the federal or state government under any agreements with such. It is specifically acknowledged and agreed that nothing contained in this Agreement shall be construed as granting or authorizing an exclusive right for exercising any activity which is illegally discriminatory, and Tenant specifically agrees to conduct itself and its activities in a nondiscriminatory manner. Tenant, his/her agents, and employees shall not discriminate in any manner prohibited by the Federal Aviation Administration or the Texas Department of Transportation Regulations.
