

CITY OF KERRVILLE
PUBLIC NOTICE

STAGE 4 - SEVERE WATER CONSERVATION

Effective August 24, 2023, at 12:01 a.m.

In accordance with Chapter 110 Article III of the City of Kerrville Ordinances, Stage 4 – *Severe Water Conservation* conditions exists in the City of Kerrville, Texas. City of Kerrville water customers are required to curtail water usage as per the following:

1. Landscape watering with hose-end sprinklers or automatic irrigation systems, or soaker hoses is **PROHIBITED** at all times.
2. Landscape watering is permitted at the following dates/times with a hand-held hose with a manual or automatic shut-off nozzle operated by one person, or a faucet-filled bucket or watering can with a capacity of five gallons or less, or a drip irrigation system:
 - a. between the hours of 7:00 p.m. - 11:00 p.m. and 6:00 a.m. and 9:00 a.m.
 - b. everyday
3. **Fire Hydrant Meter.** A temporary fire hydrant meter shall be limited for construction and irrigation purposes not to exceed 10,000 gallons per day; and use of water for irrigation purposes is restricted to those hours and days allowed for all other landscaping by this section.
4. **The following uses of water are Prohibited:**
 - a. Operation of any ornamental fountain, pond or other ornamental water feature for aesthetic purposes except where necessary to support aquatic life or where such fountains or ponds are equipped with a re-circulation system.
 - b. Washing down any sidewalk, walkway, driveway, parking lot, tennis courts, or other hard surfaced areas except when such is required by law for the protection of health and safety, or when it is required to perform duties related to construction activity and a power washer is used.
 - c. Use of water for dust control.
 - d. Washing down buildings or structures for purposes other than immediate fire protection, or when it is required to perform duties related to construction activity and a power washer is used.
 - e. Use of bulk potable water obtained from the city for construction purposes.
 - f. Use of water to wash any motor vehicle, motorbike, boat, trailer, airplane or other vehicle other than at a commercial car wash facility or service station or by a person washing any public safety vehicle on public property.
5. **No permits for new, additional, or expanded water service connections, meters, or service lines shall be granted. An exception applies where the city has already issued either a final plat for a residential lot or a commercial building permit for the site or the construction project that requires the water service.**

Your cooperation and understanding is appreciated.

Please contact the City of Kerrville at 830-257-8000 for further information or clarification.

“Failure to comply with the water conservation measures currently in effect is a violation of chapter 110 article III of the Kerrville City Code and, upon conviction, may result in a fine of not less than \$50.00 nor more than \$2,000.00 per offense plus court cost. Repeated violations may also result in disconnection of water service.”
