## Theater

Catch *The Importance of Being Earnest* at the VK Garage theater, October 4th- 20th.

Subtitled “a trivial comedy for serious people” and well-known as one of the greatest comedies ever written, *The Importance of Being Earnest* is a classic in the truest sense of the word. In Wilde’s story, we follow the twists and turns of the unlikely romances of two pairs of young aristocrats, with mistaken identities, alter-egos, and the preposterous notion that love can only happen with a young man named Ernest. Biting social satire combines witty wordplay and outrageous characters to make *The Importance of Being Earnest* a delight from an earlier age for audiences of all ages.

Call the box office at 830-896-9393 or visit the Cailloux Performing Arts website for tickets.

Catch *Nightfall with Edgar Allen Poe on the Point* Theater indoor stage, October 11th- 27th.

Playwright Eric Coble introduces us to a Poe who is struggling with questions of his own sanity as he presents the audience with an adaptation of four of his best works: “*The Raven*,” “*The Fall of the House of Usher*,” “*The Pit and the Pendulum*,” and “*The Tell-Tale Heart*.”

Call the box office at 830-367-5121 or visit the Hill Country Arts Foundation website for tickets.

## THE BUTT-HOLDSWORTH MEMORIAL LIBRARY INVITES EVERYONE TO COME TO OUR STORYTIMES!

**LAPSIT STORYTIME**  
Tuesdays at 10:00 am

Wednesdays at 10:00 am  
for ages 3 - 5

**STORYTIME IN THE CHILDREN'S  
AREA**

month at 10:00 am  
for all ages

**CUENTOS FOR KIDS**  
2nd and 4th Thursday of the  
month at 10:00 am  
for all ages

Don't worry if you have a particularly vocal child, or if they struggle to sit still for the duration of the program. That is all part of the learning experience! Caregivers and little ones are encouraged to wander around at the back of the room, or pop outside to utilize the playground if necessary. Children are always encouraged to return to the fun of Storytime as they are able. And it doesn't only benefit the children; caregivers also learn new ways to support their children's cognitive growth, and can continue to help them grow in between Storytime session.

### Why Storytime?

When families attend a library Storytime, they learn valuable pre-literacy tools that prepare children to become readers and learners for life.

### Why Songs?

Singing slows words down to make it easier for children to hear the sounds that form words. Clapping along with the songs helps children discover rhythm. Studies have shown that children who have learned at least eight nursery rhymes by the age of four are among the best readers in their grade by the age of eight.

### Why do we make a show of handling the books?

Observing the librarian read a physical storybook, children learn the mechanics of how to hold a book, including proper book orientation and how to turn the page. As they listen to the story and see the illustrations and photographs, children make connections and build their vocabulary. The librarian will sometimes ask the audience what they think will happen next to develop communication skills.

### Why Playtime?

Playtime at the end of Lapsit Storytime provides a safe space for children to learn cooperative play and sharing. It also allows caregivers the opportunity to connect with other caregivers who have children experiencing the same developmental milestones. This interaction allows caregivers to share valuable tips and develop ties within the community.

### Why Crafts?

In addition to being fun, the craft at the end of Preschool Storytime allows for children to develop the fine motor skills needed to eventually write. The act of coloring, folding, gluing, cutting with scissors or tearing paper with their hands helps develop muscles and hand eye coordination. Participating in the craft teaches children to problem solve, as well as think about the next step required to complete a craft.
